

Re: Corona Virus

Dear Clients,

We understand the concern everyone has regarding COVID-19. All of us at Shiloh and Troy Veterinary Clinic are taking extra precautions and doing our part to follow the CDC guidelines to minimize the spread of the Coronavirus pandemic. We will continue our normal frequent cleaning procedures, as well as, additional disinfecting protocols to “public” areas. (I.e. door knobs, reception desk counter, etc.), and we will refrain from shaking hands and/or hugging clients as part of the CDC’s social distancing recommendations.

At this time, both Shiloh and Troy offices will remain open for normal business operations. If you or a family member is concerned about exposure in our clinics, please notify us when making your appointment. We can arrange a technician to meet you in our parking lot and bring your pet in for an evaluation while you remain in your vehicle.

We are dedicated to provide the best care and safety for our clients and patients. If there are any schedule changes that need to be made in order to comply with federal, state or local guidelines we will announce them promptly.

If you have any questions, please contact our offices at:

Shiloh Veterinary Clinic 618-622-3778 or info@shilohvetclinic.com

Troy Veterinary Clinic 618-667-3820 or info@troyilvet.com

Sincerely,

Shiloh Veterinary Clinic

Troy Veterinary Clinic
